About the Virtus Group

Virtus Group, LLC. is an **Insurance General Contractor** specializing in **Restoration & Reconstruction Services**. Our combined industry experience totals over 120 years. We handle mitigation (water, fire, smoke cleanup and drying) nationally. We perform for our clients during catastrophic situations, providing them with consistent pricing regardless of the scenario.

Additionally, the Virtus Group offers full service **General Contracting & Restoration Management services**. You will receive a complete assessment with an appropriate scope and pricing on each loss. Using our national operations center located in the DFW metroplex, our key personnel strategically placed throughout the United States and our pre-certified professional partners, your loss is covered no matter the size or location. Our people make all the difference. You will want to experience what our team has to offer.

Virtus Group, LLC. is partnered with **RMC Group, LLC.** out of Kansas City, Missouri. The Virtus Group provides **restoration & reconstruction services** to the RMC when called upon. RMC Group, LLC. is a consulting firm that provides commercial insurance carriers, corporate risk managers and brokers a broad scope of consulting services to ensure cost control in the evaluation and restoration of property loss, as well as providing daily accountability to remediation contractors.

Virtus Group clients benefit from over 76 years of RMC's collective experience in fire, water and other types of property damage and restoration. Virtus Group will back up RMC's settlement proposals by performing the work across the United States.
